

SOLIS Egg Boiler & More

Type 8272

Multifunctional appliance for the preparation of boiled and poached eggs, royal custard, scrambled eggs and omelettes, and for steaming vegetables.

Multifunctional

Suitable for boiling, poaching or scrambled eggs and for steaming vegetables.

For up to 7 eggs

Boil 1 or up to 7 eggs in an instant to prepare as a party snack or for a breakfast table with family and friends.

Cooking tray

Upgraded insert to cook poached eggs, omelettes and steam vegetables.

Cool-touch handle

Pick up and cool the eggs safely in one go and serve directly.

Opening for excess steam

The transparent lid has an opening to release excess steam in order to ensure a perfect preparation.

LED control button

By the use of just one control button, you switch the appliance on and off and adjust the cooking time for soft- to hard-boiled eggs.

Features

- + Hidden storage compartment wraps up unused cable
- + Overheat protection
- + Non-slip rubber feet for safe use
- + Sound signal when cooking or steaming process has ended
- + Accessories: cooking tray, egg tray and measuring cup with piercing pin.
