

SOLIS Multi Chopper

For fast and perfectly chopped ingredients.

Type 8330

Multi functionality

Multifunctional chopper for effortless preparation of meat, vegetables and more.

Safe operation

The safety switch makes sure that the chopper can only be started when the lid is closed.

Non-slip holding

The non-slip suction cup feet ensure a stable hold and safe handling.

Functional design

The functional design with two container sizes allows you to efficiently chop both small and large quantities of ingredients.

Whisking features

The whisking attachment is ideal for beating egg whites and whipped cream, as well as for mixing dips, dressings and other ingredients without effort.

Easy to clean

All removable parts are dishwasher safe and easy to clean.

Features

- + BPA free plastic parts
- + The large transparent container gives a clear view of the items you are chopping, so that you can always see the ingredients
- + Inclusive of: Two containers (1000 ml + 150 ml), each with its own blade, a whisking attachment and a cleaning brush
