

SOLIS Multi Slicer

Quick prep of fruits, vegetables and more.

Type 8402

SINCE 1908

Solis

Versatile slicer

Whether fruits, vegetables, cheese, nuts or chocolate- you can process your ingredients effortlessly and in a variety of ways.

Compact design

The Multi Slicer is compact, space-saving and easy to store.

5 different blade types

Five inserts for grinding, grating, cutting crinkles, slicing 3-mm discs and for julienne strips.

Ease of use

The click system allows inserts to be changed quickly and easily.

Quick operation

The timeless and functional design and intuitive operation ensure quick and easy use.

Easy to clean

All removable components are dishwasher-safe and easy to clean.

Features

- + Two chutes of different sizes
- + BPA free plastic parts
- + The narrow chute is ideal for precisely guiding and processing thin, long food
- + The large chute is suitable for larger types of food. If the tamper is completely removed, the safety stop is activated
- + Inclusive of: 5 interchangeable inserts (grater, crinkle cutter, 3-mm slices, short and long julienne strips), cleaning brush
