

SOLIS Electric Mop

Vacuum and mop in one easy step!

LED front lights

Ensure optimal visibility, so that dirt is clearly visible and not a single fleck is overlooked!

Vacuums and washes in a single pass

Dirt is vacuumed away, while the rotating wash pads wet-clean hard floors!

The water is easy to refill

The drop-dispenser system ensures precise dosing for optimal moisture.

With washable and reusable microfibre pads

Suitable for various hard floors such as marble, tiling, wood and vinyl.
