SOLIS Gelateria Pro Touch 3 in 1

Type 8506

Delicious ice cream, yogurt and slushie conveniently made at home

SINCE 1908

Home-Made Ice Cream, Yogurt & Slushie

Up to 2 litres of home-made ice cream, sorbet or frozen yogurt. Create your favourite flavours anytime – no pre-freezing required.

Consistency is Key

Choose between fully automatic or manual settings and adjust the consistency exactly to your preference.

Easy to Clean

The stainless steel ice cream container is dishwasher-safe. Housing and accessories can be cleaned easily with warm, soapy water.

Simple Operation

Large filling opening for easy ingredient handling. Removable ice cream container for quick and easy cleaning.

Pro Touch Screen

Easy-to-clean digital control panel with touch buttons. Clear indication of programs and remaining operating time.

In the Package

Ice cream machine with stainless steel container and lid, scraper, stirring tool, measuring cup and recipe booklet.
