SOLIS Perfetta Knock Box

The clean and elegant way to collect coffee grounds. The spacious knock box is easy to assemble and to clean. It is a must-have for every home barista and the perfect accessory to Solis espresso machines. It's just *perfetta!*

Dishwasher-safe insert

Put the plastic insert straight in the dishwasher to clean.

Shock-absorbent knock bar

The shock-absorbent knock bar is covered with soft rubber to protect the portafilter from scratching and to ensure quiet use.

Anti-slip feet

Anti-slip feet prevent the knock box from moving around, help to reduce noise and protect the kitchen counter from scratching.

Quick cleaning

The Perfetta Knock Box can be easily taken apart and reassembled for quick and easy cleaning.

Large capacity

With its capacity of 700 ml, the Perfetta Knock Box holds plenty of coffee pucks without having to empty it all the time.

Just *perfetta* design

The beautiful design of the knock box is perfectly matched to the espresso machines of the SOLIS Perfetta range.

Features

- + Case made of durable, high-quality stainless steel for a long-lasting product
- + A high back prevents coffee grounds from splashing on the kitchen wall.
- + The cut-out front makes it possible to hold the portafilter horizontally when knocking out the coffee grounds.
